DRAFT DECISION

99/xx. Funding situation of UNDP and UNFPA

The Executive Board

1. Notes with concern the continuing and significant decline in contributions to the United Nations Development Programme and the United Nations Population Fund and in particular the resulting decline in resources available for programme activities;

2. Also notes with concern the impact that such resource shortfalls have on the capacity of the United Nations Development Programme and the United Nations Population Fund to meet the increasing needs of programme countries for their assistance;

3. Requests the Administrator and the Executive Director to bring this critical resource situation to the attention of the Secretary-General with a view to launching a campaign to mobilize the support of world leaders in order to reverse the trend of declining contributions to the United Nations Development Programme and to the United Nations Population Fund;

4. Calls on the Members of the Programme and of the Fund to encourage their leaders to support the efforts of the Secretary-General in this campaign.
